About Excel4apps

Excel4apps is a provider of best-in-class Excel based reporting software for Oracle & SAP users. Its award winning GL Wand products help Oracle & SAP financial professionals save time by delivering accurate and secure information in the familiar Excel environment. The company serves a broad range of industries, including financial services, education, utilities, insurance, hospitality, manufacturing and engineering. All products are available for immediate download and free trial, installing in minutes with no data warehouse and no additional hardware, setup or security configuration needed. Excel4apps maintains offices in the United States, United Kingdom, Australia, United Arab Emirates and South Africa.
